

Lockers at HANSA-PARK

On the ground floor of the Service Centre you will find lockers in two sizes.

Fees & Deposit

Standard-sized locker	€ 1
Large locker	€ 2
Deposit	€ 2

Your benefits at a glance:

- ✓ You pay only once.
- ✓ You can use your locker the whole day.
- ✓ You can open and close your locker as often as you please at no extra fees.
- ✓ After using it for the last time, you will be returned your deposit.
- ✓ Please read the instructions carefully!

And here's how it works:

1. Insert the fee (right) and the deposit of € 2 (left).
2. The locker is now activated and you can open it as often as you wish.
Make sure to remember your locker number.
3. When you no longer need the locker, press the red button.
4. You will be returned your € 2 deposit coin.

NOTE:

Press the red button only when you no longer want to use the locker.
The locker fee will not be returned if you "accidentally" press the red button.

Good to know

Lockers can be rent for full days only. After the Park has closed for the day, lockers that are still locked will be emptied by HANSA-PARK staff.

We only have a limited supply of lockers. Unfortunately, you cannot reserve any lockers.

Please approach our staff at the Service Centre if you want to keep items in a safe place that are too big for the lockers.

Please note that HANSA-PARK and its staff will not accept any liability for items handed to them or items deposited on HANSA-PARK's premises.
